In Review
NATIONAL EVENTS

1. On March 9, President Johnson presents the Medal of Honor to Spec. 6 Lawrence Joel, the first medic to win the nation's highest award for military gallantry.

2. In October, thousands of anti-Vietnam-war protest marchers descended on Washington, D. C. and created scenes like this at the mall entrance of the Pentagon.

3. Astronauts Virgil I. Grissom, Edward H. White and Roger B. Chaffee died at Cape Kennedy on January 27 when fire broke out in their Apollo capsule.

4. On September 9, Debra Dene Barnes, Moran, Kansas, was chosen Miss America 1968. Debra was the second Miss Kansas in a row to win this high honor.

5. This young lady is holding six pieces of high-resolution film, called chips, developed by IBM. All of Shakespeare's works can be recorded on six chips.

6. This aircraft of the future, the 231-foot Boeing 747, will someday carry 490 passengers at 625 m.p.h., thus enabling air fares to be reduced.

7. In August, flood waters of the Chena River in Alaska caused hundreds of millions of dollars in damage. Fifteen thousand residents of Fairbanks were evacuated.

8. In July, 4,700 Federal troops were called in to suppress rioting in Detroit, Michigan. Many other cities experienced similar riots during 1967.

9. On November 9, following years of preparation and the expenditure of billions of dollars, the first giant Saturn rocket was launched from Cape Kennedy.

10. UCLA's basketball team, featuring 7-foot, 2-inch Lew Alcindor, was undefeated in 1967 and could conceivably set an all time win record during 1968.

11. Secretary Robert C. Weaver looks over a possible solution to part of the pollution problem, a minicar which features a small gasoline-electric engine.

12. In January, a record-smashing 26 inches of snow fell in Chicago in 29 hours and brought the entire area to a virtual standstill for more than a week.

Mr. Gary Clark, now in his third year at B.H.S., this year directs five groups, including Pops Chorus and the new Choristers' Ensemble. Mr. Clark originated the tradition of the B.H.S. fall musical in his first year here with "Carnival". Since then he has directed the productions of "Funny Girl" and "The King and I," and this year initiated the idea of a spring musical, "The Boyfriend"; he also directs for the Quad City Music Guild. Mr. Clark put his idea for another mixed choir into effect two years ago, when he formed the Choristers, shown on the following page in their new black and gold choir robes.

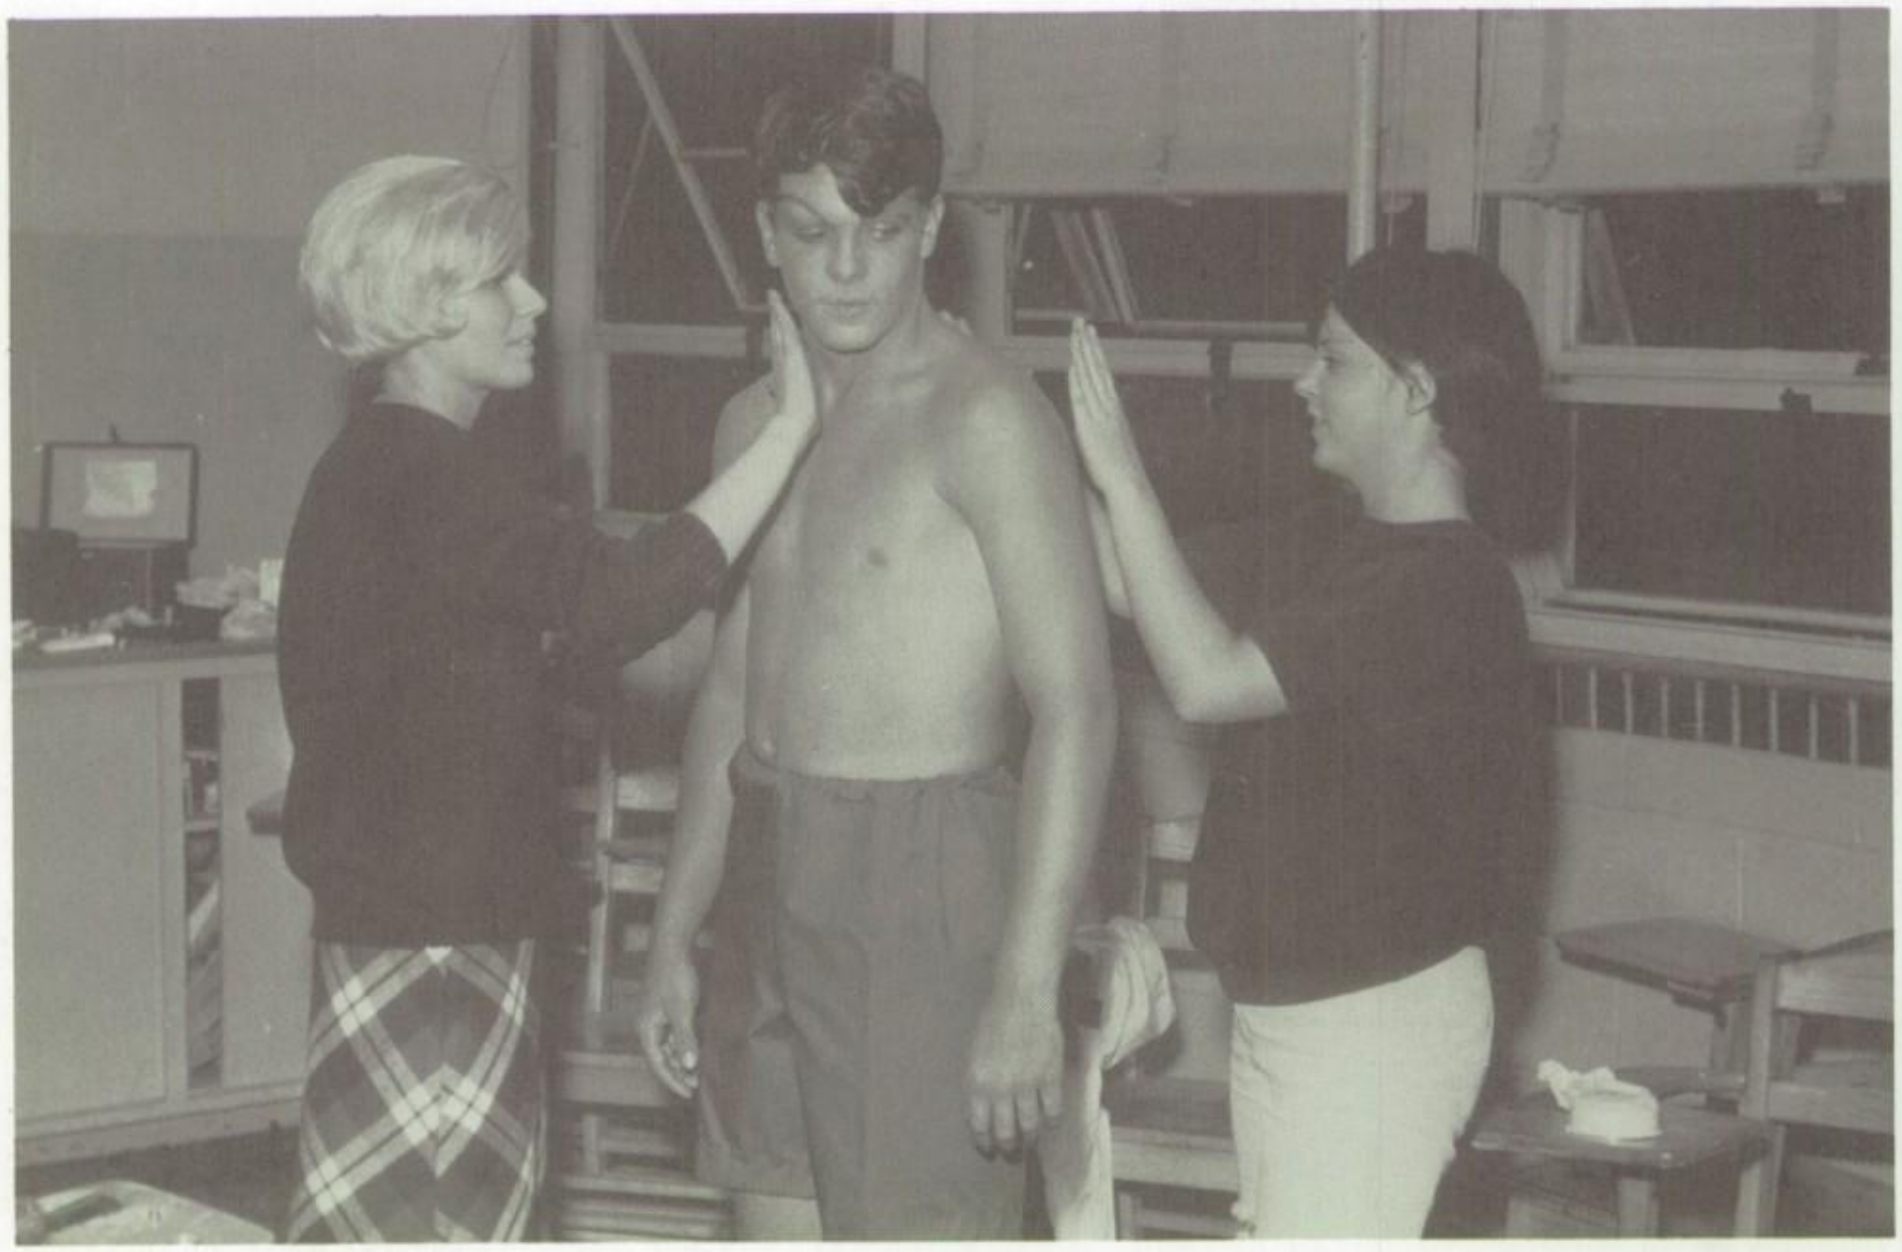
B.H.S. Fall Plays

This year the BHS drama department presented three one-act plays in place of their customary fall play, and experimented with the use of student directors in their productions. Through the use of three plays they hoped to create a wide variety of moods and effects, as each play was typical of a different facet of drama production. "Sorry, Wrong Number" is a murder-mystery, while "Antic Spring", a light comedy, is a play to be seen for pure enjoyment. "Sandbox", a biting indictment of our times, exploits its theme through the use of unusual stage techniques.

K. Webb, B. Martzahn, S. Adams



"Sandbox"

Edward Albee, author of "Who's Afraid of Virginia Wolff?" dedicated "Sandbox" to his grandmother. It is a bitter commentary on our cruel treatment of the older generation, employing many different types of lighting, musical, and stage effects.

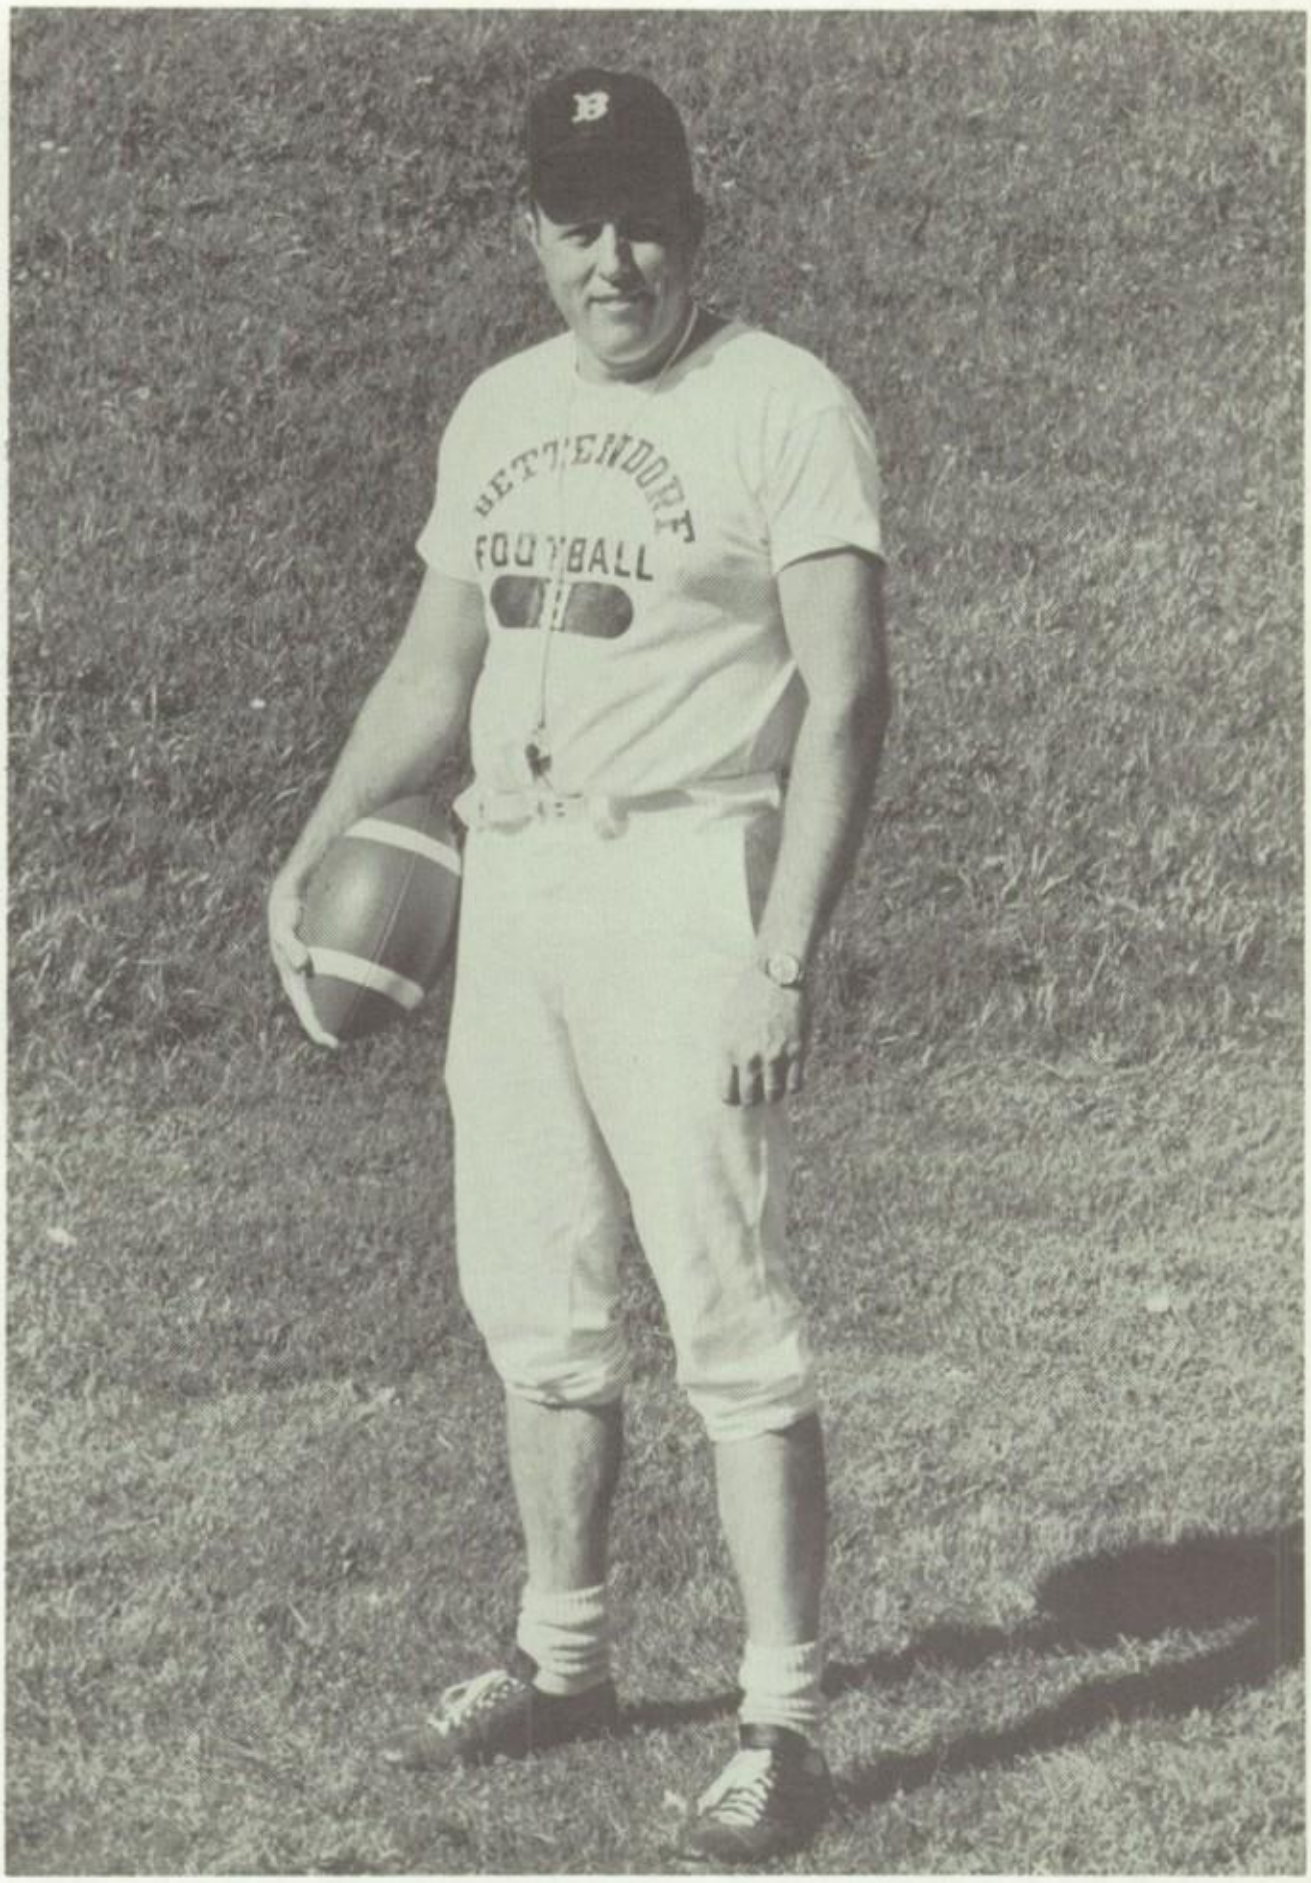
Head Coach Ray Oles: a successful season in his first year



Football 1967: Second in Little Six

Showing unexpected strength in our first season with Ray Oles, new varsity head coach, and his wing-T offensive line-up, the Bettendorf Bulldog offense—especially quarterback John Howe—showed constant improvement throughout the entire season. Defensively, the Bulldogs were rated second in the Quad-City area and first in the Little Six. At all of the games, both home and away, the team was supported by many loyal, spirited fans. After a heartbreaking season-opener against Regis of Cedar Rapids, the Bulldogs' fortunes turned and the next three grid encounters were victories. The Bulldogs then fought the Burlington Greyhounds stubbornly in a close but disappointing Homecoming clash which decided the conference championship. To close the home season, they shut out Clinton 20—0 and ended conference play by blanking both Assumption and Muscatine. Bettendorf defeated North Scott in the final game of a successful 1967 football season.

Sue,
I've really gotten to know you this year with Church, Gym Class, Study Hall, Lunch and Algebra. Always remember the dumb (D) student who sits two seats in front of you in Algebra.
The Best of Luck in whatever you do. I Mean It!
Diane

Sue,
You're a real
swell kid & hope

your Senior year
Mary

"I count him wise
Who loves so well Man's noble memories
He needs must love Man's nobler hopes yet more."

And Now "30"

Creating a yearbook is a perpetual struggle with time. Having pictures planned and taken, layouts drawn, copy written and edited—these responsibilities and a wealth of other vital details were carried out under the spectral gaze of a calendar. We, staff and editors of the 1968 BEACON, are grateful to all those members of the faculty and administration of B.H.S. who so thoughtfully and selflessly helped us from under the shadow of our deadlines.

Yet, the entire project seen in retrospect makes us yearn for that shadow again. We feel that in preserving some precious memories of 1967-68 for the members of a really great, deserving student body, we might somehow have come closer to Bettendorf High, to its personality and its spirit. And always we wonder if we could not have been a little more painstaking here and there—if the 1968 BEACON could not have reflected the year with some greater measure of integrity. In any case, we respectfully present to administration, faculty, and—especially—students of Bettendorf High School, the 1968 BEACON.

As co-editors, we would both like to express sincere gratitude to the following people:

Our section editors and entire staff, all of whom worked extremely hard and whose efforts we appreciate beyond words.

Mr. William Nordquist who overcame adversity and furnished us with all of our pictures.

American Yearbook Company, our publisher, and Mr. Fred Stoeker, their representative.

Mr. Hayes, yearbook adviser. The faculty adviser does much of the work, most of the worrying, hears most of the complaints—and receives the least credit! We wish to ameliorate this sad state of affairs and sincerely thank Mr. Hayes for every exhausting man-hour spent teaching two stumbling editors how to "stay loose."

To everyone in this book—happy reminiscing.

Sue,
You're a great

Dear Sue,
Hi Kid! Good luck to
you in everything you do.
This has been a pretty fast
year, don't you think? Don't
ever forget the neat times we've
had in speech class, not to
mention Nora's slumber party!
Take it easy!
Love ya,
Nancy
P.S. How's Harvey!? "69!"

Sue-
I'm glad I got to
know you better
this year. Don't forget
gym. Algebra and
Soc & Am. Govt. Best
of luck in everything
you do and I know
you will succeed.
Jan

Hi:-
Thanks so much
for the times that you
came to my rescue in adv. alg.
Your understanding of this
course is far greater than
mine. Only once have I seen "Harv"
attack (tickle), but I know
he says. Don't give his
signing of your lesson
another thought as it is nothing
to worry about. Of course it is because
its not every day that a person
will make such a
compliment.
Good luck with Harvey
Cynthia
Truly Yours

Hi Bunny!

well this is going to be a most interesting letter

and
it will
be
quite
hard
to
read
because
I
plan
to use the whole page for my wise words of
wisdom!
Well
we
are
glad
you
are
feeling
kind
and sure
do
hope
that
we
have another like it. Hey! I am going to stay
